I have been reviewing some of the local candidates PDC filings and noticed that Norman Johnson has not been meeting filing requirements under RCW 42.17 which states that the name and address of each person to whom an expenditure was made needs to be listed and reported to the state. There is also a timeframe that needs to be followed as to when and how frequently revenues and expenditures need to be reported.

In looking at the dates Norman Johnson filed his C-3's and C-4's and what is in his reports, I don't see where he is following the requirements. He did a massive filing on October 13, 2005 to play catchup.

In his C-4, there is no accountability for expenditures from August 20 to August 23, 2005. It appears to me that there is a big expenditure made during that time, but no information submitted to PDC. I am also concerned about his timeliness. Is there something PDC can do?

He has run for several different offices over the past 20 years or so, or so he says in campaign literature. He knows the laws and he needs to be held accountable. I would appreciate a followup from PDC on his reporting and I would like an acknowledgment from your office to me that you are looking into it.

If you would like to talk with me, my phone number is (509)452-3448.

Thank you
